Brno is a viewers paradise, with good access & vantage points. Generally the grandstands are in two areas: the main straight and the 'Stadium', the iconic downhill double chicane. We are Brno's largest agent and have all tickets. Our suggestions: for pole position, get T3; then T5. Best value seats are T2/Brno, just down track from the start. T4 most comfortable; best viewing overall is the 'C' standing area, but this gets very crowded, so our overall favourite remains T1 which is also the choice of aficionados. We like it so much, we sponsor it! All tickets are valid 3 days, and all grandstands permit access to general admission areas. Only T1, T3, T4, T5, T6 and hospitality permit tunnel access between paddock and T3. The general admission (A/B/D/E/G) do not permit access to the infield; although some areas do have TV views. Great TV views from all tribunes, C, D and F standing areas. See also our hospitality club if you want 'better than grandstand'

Something about bikes & beer... To kick off the coolest MotoGP weekend of the tournament, join us Friday night at our trackside chalet and eye up the lines of Brno's famous double-chicane while sampling the world-famous local product! We will be roasting a whole pig (actually two or three!) with trimmings and washed down with unlimited beer & wine. Live band, guest appearances and total fun! Can you think of a better way to meet your fellow moto-heads and start debating the chances of Rossi holding his title? Kegs open at 7.00pm, ends ?? (final times TBA). We run buses from our package hotels (apart from the economy hotel, pick up the free 400 bus from nearby Mendlovo nam) and then back to the city. This is included with all packages apart from economy, and all BrnoGrandPrix.com Club ticket holders. Last year we had over 400 people, several riders including young British superstar Scott Redding, and we welcome back the awesome band 'Green Steam'!

(Included in package; normally EUR 85)

Why book a package? Remember, a MotoGP weekend is like 8 weekends in real life! A package with us is far far more than the simple sum of hotel + transport + party. Joining our tour is all about leaving hassles & stress behind and allowing you to focus on maximum enjoyment of the event. All packages can be tailored, we can take care of you from the moment you land. All of our customer care and attention is focused on our package customers, which means we are on hand if you have questions, problems, need advice, have a complaint, or just want to know the latest gossip from the paddock. Since we are experts on the sport, we have extensive contacts, which we share with you. With us you are 'in the path of opportunity'; for example one of our customers had her 30th birthday on the Istanbul race day; she got an impromptu tour of the paddock and Rossi signed her cap. Our weekends are always action-packed - our guest book is full of compliments on our social programmes (dune bashing in Qatar, wine tasting in Jerez, beer tours of Brno, private tour of Kuala Lumpur just some examples) We are completely flexible - if our proposed package doesn't meet your need, just ask us! While we can't guarantee you'll raise a pint with Nicky, we can promise you that you will have a fantastic experience leaving you hungry for more! We love our job and want to share our passion with you!

Saturday night we take over the Starobno brewery for what has become the real 'must be there' events of MotoGP. Our Charity.GP gala is a benefit for Riders for Health and is a load of fun. Being a brewery, it is unlimited beer (and wine); and the buffet dinner gets rave reviews. We start with a live music show. There is a guest speaker or two (Steve Parrish in 2008, Julian Ryder in 2007, Randy Mamola in 2006) to share their thoughts & laughs on the MotoGP season. In 2008 we raised over 7000 Pounds in a live auction of unique goods - we hope to top that this year! There is a charity merchandise stall with lots of cool stuff and the DJ & dancing will keep you up to the wee hours! Learn a bit about a great charity, help people in Africa and have a blast. What could be better? Don't miss this! We will run coaches from the these hotels: Castle; Maximus; Atlantis; Park; Continental; Slavia & Brno Hotel. Return trips to: Castle, Maximus & Atlantis; Brno.

The event WE all look forward to...! Join us for our 'winding down' friends and family dinner & wine tasting at Vinarna U kralovny Elišky Mendlovo nam. 1. This is a traditional wine restaurant, whose cellar dates from medieval times - one of the oldest working wine cellars in Europe. Starting 1900 with a welcoming Moravian Slivovice in the gardens, we will enjoy a tasting of various Moravian wines in the incredibly atmospheric surroundings, then enjoy a typical Moravian meal (with several options, including vegetarian) with yet more wine... There will be a traditional folk band. The fee covers the food, tasting and table wine; further consumption or vintage wines will be on a cash basis. The evening is by invitation only, you may ask other to join; please let us know final numbers Saturday. This is always the perfect cap to an incredible weekend! Thanks for your patronage & have a great GP!
